Information on F&P-registration of SECVEST FU5110

Referring to your application we can inform you that your Wireless PIR Detector will be registered on the homepage of Forsikring & Pension (F&P) – <http://www.fpsikring.dk>. The registration will be in class/grade 2 due to EN 50130-4, EN 50130-5, EN 50131-2-2 and prEN 50131-5-3.

The registration will be carried out on the basis of the registration requirements of F&P, which can be found on the homepage of F&P – <http://www.fpsikring.dk/Tyveri.aspx> and on the basis of the forwarded certificate No. 06229028/AA/00 issued by Telefication B.V.

The registration will be valid for a period of five years from this date. A renewal of the registration in five years will only happen due to an application and presentation of a valid certificate.

Yours sincerely

Knud Knudsen
