

WATER FOUNTAIN ULC 100 LOCKOUT DEVICE

Eliminate access to water fountains with the ABUS **ULC 100 Lockout Device**. Made of high quality material, the tamper resistant, **drawstring bag** works on virtually **every** fountain type. The ULC 100 allows the water **bottle filling** station to remain operational while the **spout** is locked out. Installation requires **no tools** and lockout completes with an ABUS **padlock**.
